

Members,

We awarded the MDCACP 2019 Scholarship winner Yoel Guerra, at the December 11, 2019 Membership Luncheon held at Indian Creek Country Club. Yoel is now currently enrolled at the Miami Dade College School of Justice Basic Law Enforcement Training Program and his tuition was covered by the Scholarship.

He was recommended by Chief Jeanette Said-Jinete from the Medley Police Department. He was involved in various Community organizations such as; Medley Police Explorers Post 67, and Medley Youth Social Club. He also did internships at Medley Police Dept Administrative and City of Miami Police Social Media Unit. He was also employed as a Community Service Aide with the Town of Medley PD.

We wish him all the best as he embarks upon his law enforcement career. We have no doubt he will be an asset to the law enforcement community.
